A State Income Tax Credit equal to 25% of monetary donations is available to donors who make contributions to Community Partnership's Capital Campaign project.

- By donating specifically to Community Partnership's Capital Campaign project, a large part of your donation comes back to you in various tax credits and deductions. Donations qualify for a 25% tax credit on your Colorado income taxes, and excess tax credits may be carried forward for up to 5 years.
- Make a donation; help BUILD a strong community!

The Enterprise Zone tax credit lets you receive a 25% credit on your Colorado state taxes when you give to Community Partnership Family Resource Center's Capital Campaign. Combined with charitable income tax deductions, your gift can result in substantial tax savings. Here's how it works:

Donation Amount	\$10,000	\$25,000	\$50,000
CO Enterprise Zone Credit	(\$2,500)	(\$6,250)	(\$12,500)
Est. Federal Tax Savings (35% tax bracket)	(\$3,500)	(\$8,750)	(\$17,500)
Est. Colorado Tax Savings (4.36% tax bracket)	(\$463)	(\$1,157.50)	(\$2,315)
Total Tax Savings/Returned to you at tax time	\$6,463	\$16,157.50	\$32,315
Net Cost of Contribution	\$3,537	\$8,842.50	\$17,685

* This example is based on a 35% tax bracket. The benefits of the Enterprise Zone tax credits are based on each individual's own tax bracket.

* The Colorado tax credits are available whether you itemize deductions or claim a standard deduction. The federal benefits depend on whether you itemize or not. Be sure to verify your particular situation with your income tax preparer.
